This family-friendly favorite has been completely re-imagined in this retelling of Lewis Carroll’s classic “Alice in Wonderland.” Using the language of world fusion dance, which combines Middle Eastern, hip hop, contemporary, acrobatic, and belly dance, you’ll encounter all your favorite characters and scenes including an acrobatic White Rabbit, a dancing caterpillar, and of course Alice herself. Elaborate costumes, bold colors, and amazing choreography will keep your entire family entertained. 8:30 pm.
